ASSISTANCE TO BANGLADESH IN THE WAKE OF THE DEVASTATING FLOODS

The General Assembly,

Deeply concerned about the loss of human life and the unprecedented destruction of property and infrastructure caused in recent weeks by the worst floods ever in Bangladesh,

Considering that Bangladesh is one of the least developed countries and that its situation has been worsened by the frequent recurrence of natural disasters having devastating consequences,

Recognizing that natural disasters constitute a development problem of great magnitude, the solution of which calls for substantial resources, requiring national efforts to be supplemented by international financial and technical assistance,

Recognizing also the large-scale relief, rehabilitation and reconstruction efforts of the Government and the people of Bangladesh to alleviate the suffering of disaster victims and to put the country back on the road to development,

Conscious of the fact that international assistance and investment over time are required to mitigate and prevent the consequences of such disasters,

Noting the appeal made by the Secretary-General to the international community for help and assistance for the flood-affected people of Bangladesh,

Noting also the appeal to the international community made by the Prime Minister and the Government of Bangladesh to come forward with assistance in order to help the country to recover from the disastrous floods,

1. *Expresses its solidarity* with the Government and the people of Bangladesh, who are bravely facing the disaster;

2. *Appeals* to all Member States, specialized agencies and other organs and bodies of the United Nations system, as well as international financial institutions and non-governmental organizations, to respond urgently and generously in order to assist Bangladesh in its relief, rehabilitation and reconstruction efforts and programmes following the unprecedented calamity;

3. *Expresses its gratitude* to Member States, international organizations within and outside the United Nations system, non-governmental organizations and individuals and groups that have so generously assisted the Government of Bangladesh in its immediate relief and rehabilitation efforts;

53/2. Fiftieth Anniversary of United Nations Peacekeeping

The General Assembly

Adopts the Declaration on the Occasion of the Fiftieth Anniversary of United Nations Peacekeeping, as set forth in the annex to the present resolution.

29th plenary meeting

ANNEX

Declaration on the Occasion of the Fiftieth Anniversary of United Nations Peacekeeping

We, the Member States of the United Nations, have gathered at this commemorative meeting of the fifty-third session of the General Assembly to mark the fiftieth anniversary of United Nations peacekeeping. It has been fifty years since the establishment of the first United Nations observer mission, the United Nations Truce Supervision Organization. We pay tribute to the hundreds of thousands of men and women who have, in the past fifty years, served under the United Nations flag in more than forty peacekeeping operations around the world, and we honour the memory of more than 1,500 United Nations peacekeepers who have laid down their lives in the cause of peace.

We reiterate our support for all efforts effectively to promote the safety and security of United Nations peacekeeping personnel. We recall with pride the awarding of the 1988 Nobel Peace Prize to the peacekeeping forces of the United Nations, and we welcome the establishment by the Security Council of the Dag Hammarskjöld Medal as a tribute to the sacrifice of those who have lost their lives while

serving in peacekeeping operations under the operational control and authority of the United Nations. We, the Member States of the United Nations, affirm our commitment and willingness to provide full support to United Nations peacekeepers to ensure that they are able successfully to fulfil the tasks entrusted to them.
